Willow Lyrics - Taylor Swift

I'm like the water when your ship rolled in that night
Rough on the surface, but you cut through like a knife

And if it was an open-shut case

I never would have known from the look on your face

Lost in your current like a priceless wine

The more that you say, the less I know

Wherever you stray, I follow

I'm begging for you to take my hand

Wreck my plans, that's my man

Life was a willow and it bent right to your wind

Head on the pillow, I can feel you sneakin' in

As if you were a mythical thing

Like you were a trophy or a champion ring

And there was one prize I'd cheat to win

The more that you say, the less I know
Wherever you stray, I follow
I'm begging for you to take my hand
Wreck my plans, that's my man
You know that my train can take you home
Anywhere else is hollow
I'm begging for you to take my hand
Wreck my plans, that's my man
Life was a willow and it bent right to your wind
They count me out time and time again
Life was a willow and it bent right to your wind
But I come back stronger than a 90's trend

Wait for the signal, and I'll meet you after dark
Show me the places where the others gave you scars
Now this is an open-shut case
I guess I should'a known from the look on your face
Every bait-and-switch was a work of art

The more that you say the less I know
Wherever you stray, I follow
I'm begging for you to take my hand
Wreck my plans, that's my man
You know that my train can take you home
Anywhere else is hollow
I'm begging for you to take my hand

Wreck my plans, that's my man

The more that you say, the less I know
Wherever you stray, I follow
I'm begging for you to take my hand
Wreck my plans, that's my man

You know that my train can take you home
Anywhere else is hollow
I'm begging for you to take my hand
Wreck my plans, that's my man

Hey, that's my man
That's my man
Yeah, that's my man

Baby, every bait-and-switch was a work of art
That's my man
Hey, that's my man
I'm begging for you to take my hand
Wreck my plans, that's my man
